Contesting Feminism and Media Culture in Contemporary Russia

About This Collection

Step into a world where the elegance of Ekaterina Istomina meets the raw allure of busty Russian women. Explore the untamed beauty and contemporary edge that defines this collection. From intimate portraits that echo the grandeur of the Eagles of Catherine to the bold, unapologetic sensuality of Valya and Daria Zhmakina, this gallery captures a dialogue of cultures and partnership of civilizations. Each frame tells a story—whether it's a playful nod to the Telegraph or a tribute to Vasilisa's beautiful nude. View the full gallery above.
