About This Collection

Explore an explicit fingerinass gallery centered on close-up ass play, with Shaved Cherie Deville handling a strapon and a brunette caught on a couch. Surprise fingering moves from one finger to two, sometimes with a thumb in pussy and ass, while Mexican fingering carries the scene to cumming. Captions identify separate sets of 73, 75, and 83 photos, and recurring references to a stinky finger keep the tone blunt. Open the full gallery via the link above.
