escuela de nada pornhub

Photo Gallery

A Neighbor comes to my Room for any Reason she Loves to Fuck

marrubi

Un día normal en una escuela de Japón - YouTube.

V gets surrounded and chooses the only way out Scrolller

Uploader.

About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Avoid certain constructions. They must appear naturally in Spanish text. Avoid AI-flag words list. That's Spanish (mostly). Those are English words; we need to include them exactly as given. Must be plain text, no markdown, no lists, no quotes. Could embed them as is. No em/en dashes. So description must be in Spanish. End with natural invitation to view full gallery via link above. Must reuse at least 20% of key words from captions, and must include these exact words where natural: dick, good, resist, neighbor, comes, room, reason, loves, fuck, bootyfrutti, gets, surrounded, chooses, only, scrollller. Use commas or split sentences. Must be 60-90 words. Must be in same language as gallery title: "escuela de nada pornhub". Count words.

We need to produce a paragraph (single paragraph). Must be 60-90 words. Let's aim for ~75 words.

We need to include the required words: dick, good, resist, neighbor, comes, room, reason, loves, fuck, bootyfrutti, gets, surrounded, chooses, only, scrolller. They must appear exactly as spelled (case-sensitive? That's 15 words. Probably case-insensitive but we should match exactly). We'll include them in the paragraph.

We also need to reuse at least 20% of key words from captions. The captions have many words; we are already using many of those required words, which are from captions. That should satisfy.

Now write Spanish paragraph, include those English words. Also avoid em/en dashes. Ensure no prohibited words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid those. Use commas.

Avoid "not only X but Y", "At its core", forced groups of exactly three items. Use "to" instead of "in order to". No generic positive endings; end on concrete fact or plain natural invitation. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". End with invitation to view full gallery via link above. " That's a concrete invitation.

Now count words. Let's draft.

Potential paragraph (Spanish):

"Un vecino viene a mi room porque el dick es too good to resist y la neighbor loves to fuck, bootyfrutti appears y gets surrounded, elige solo una salida y chooses the only way, scrolller muestra la escena, todo sucede en una escuela de nada pornhub, mira la galería completa en el enlace de arriba."

But need to include exact words: dick, good, resist, neighbor, comes, room, reason, loves, fuck, bootyfrutti, gets, surrounded, chooses, only, scrolller. Also "scrolller". Also "only". Also "room". Also "loves". Must include "comes" (verb) and "reason". Also "dick". Also "bootyfrutti". Also "neighbor". Also "gets". Also "good" and "resist". Also "chooses". Also "fuck". Also "reason". Also "surrounded". That's many.

We need to embed them naturally. But the paragraph must be Spanish, but we can embed English words. That's okay.

We need 60-90 words. Let's count words in draft.
