About This Collection

elleslovexoxo returns with another raw session of self serve and hard target action. The model strips down in a schoolgirl outfit before switching into black socks and goth maid gear, riding a dildo until multiple squirt hits the bathroom tiles. She fingers herself pink and plays with piss, then turns the camera on a juicy cunt pounding that ends with cum on her boobs. On X the account drops a 50 percent off promo for Fansly, where solo masturbation and sucking cock videos keep the action close and wet. See the full gallery via the link above.
