About This Collection

Charlotte99xx returns with a raw, unfiltered session that centers on her petite frame and a hunger for extreme anal play. A collection of leaks and original shots document every hard swallow and sloppy creampie moment. The Bad Dragon collection arrives in full force, M, L, and XL Baron Review Creampie pieces alongside monster dildos that push her limits deeper than ever. She rides each toy with grit, her goth aesthetic contrasting the intense, glistening action as she takes everything fully hilted. In this gallery she strips down completely, abandoning any pretense as she prepares to stretch her tight holes with oversized dildos that dwarf her tiny ass. The scenes capture deep anal stretching, assberg egg plug insertion, and relentless dildo fucking that leaves her gape stretched wide. View the full Charlotte99xx gallery now through the link above.
