About This Collection

juq 125

I came back to the countryside and ran into my neighbor, the adulterous wife with too much free time on her hands. She kept squeezing me for a long time. Shiraishi Marina is the name on every copy, and every scene shows her as the unequaled wife who won't stop until she's finished. The Japanese title tells you everything: a rural setting, a married woman with plenty of time, and continuous squeezing until the end. Watch Shiraishi Marina in this uncensored JAV release where the countryside becomes the backdrop for nonstop action. The gallery contains multiple versions of the same story, all featuring Marina as the adulterous wife who takes advantage of her free time. View the complete collection above.
