About This Collection

Miss Mikkaa takes the first frame and keeps it. Everything here is the master's task, and the camera follows it. l33 selfies and MC outtakes to a demon girl look and a Momoka figure at 1/6 scale, with mixukki and mikixkayy tucked in between. Crossdressing and kawaii makeup run through it, and the rooms look lived in rather than staged. Click the link above to see the full gallery.
