About This Collection

1. Analyze the Request:

Goal: Write a short enticing description (60-90 words) for an adult photo gallery.

Title: "foroz dz" (must use this as the context/language).

Input: Scrambled site captions.

Format: One coherent, engaging paragraph. No mechanical listing of captions. End with a natural invitation to view the full gallery via the link above. Tease models, setting, and action. No markdown, no lists, no quotes. Plain text only.

Constraint 1 (Keyword reuse): Naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms). Translate the rest as needed.

Constraint 2 (Language): The entire description must be in the same language as the title ("foroz dz" - which implies English, as "dz" is a common internet slang/leet speak for "dz" often used in Russian contexts, but wait... The prompt says "Write the entire description in the same language as this title". "foroz dz" sounds like a mix. Let's look at the captions: some are Russian, some are English, some are mixed. "foroz dz" is written in English/Latin script, so I will write the description in English).

Constraint 3 (Negative keywords): Never use: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Constraint 4 (Punctuation): Never use em or en dashes; split the sentence or use a comma.

Constraint 5 (Constructions): Never use "not only X but Y", "At its core", or forced groups of exactly three items.

Constraint 6 (Prepositions): Use "to" instead of "in order to"; use "because" instead of "due to the fact that".

Constraint 7 (Tone/Style): No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or a plain natural invitation. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.
