About This Collection

Custom Udon Works is an adult anime gallery where Hayashi Custom and Anime Artist visions meet familiar faces from Touhou and Kemono Friends. The collection mixes polished character art with bold fantasy scenes, each image inviting a closer look at the artist's style and the action unfolding. Izayoi Sakuya, Kirin, and other characters are drawn into erotic, tentacle-filled moments, with furry, scat, and guro themes adding a sharper edge. View the full gallery through the link above.
