About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Might be a mismatch. But we must produce description in same language as title (English). Must not use markdown, lists, quotes. However we must follow the instruction: write description for adult photo gallery based on captions. Must end with natural invitation to view full gallery via link above. Must not use forbidden words. Must be 60-90 words. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). But the gallery title is "video game phone wallpapers". But the instruction says "adult photo gallery". The captions are about video game wallpapers, not adult content. But the captions are about video game wallpapers. Must be plain text.

We need to count words. Aim for ~75 words.

We need to incorporate key words: "Fallout", "4k", "Hd", "Retro Game Controllers", "Jogos", "Foto", "Wallpapers bonitos", "Gaming Wallpaper", "iPhone", "Gaming Wall Papers", "PlayGround.ru", "Video game backgrounds", "Best gaming wallpapers", "Game wallpaper iphone", "*ИИ*", "Vibrant Gaming Wallpaper", "Abstract Digital Landscape", "Asus rog", "Myst", "Art Gaming", "Gamer wallpapers 4k", "Gamer photos", "Gamer Zone Sign", "Playstation anniversary wallpaper", "Pinterest", "Papel de parede games", "Papéis de parede de jogos", "Papeis de pared", "Salvar", "PlayStation 4 Button Wallpaper", "LazarosMpounas", "ZEDGE", "Fortnite neon city", "Zarnizar Studio", "4kgaming", "Retro games wallpaper", "Retro gaming art".

We need to reuse at least 20% of key words. That's many. But we can include a bunch.

We must avoid forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes. Use commas.

No "not only X but Y". No forced groups of exactly three items. Use "because" instead of "due to the fact that". No "At its core". Use "to" instead of "in order to". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on concrete fact or plain natural invitation.

We must end with invitation to view full gallery via link above. Something like "Check the link above to see the full gallery."

We need 60-90 words. Let's craft ~78 words.

We need to avoid "vibrant" (forbidden). Also "showcase" forbidden. So cannot use "Vibrant". "it is important to note" forbidden. Also no em/en dashes. Also "landscape" is forbidden. "serves as" forbidden. "pivotal" forbidden. "delve" forbidden. "boasts" forbidden. "testament" forbidden. "crucial" forbidden. "additionally", "moreover", "furthermore" forbidden. So avoid "landscape". Use commas.

We must not use "not only ... but". Avoid.

We must not use forced groups of exactly three items. So avoid listing three items in a row.

We must vary sentence length naturally.
