About This Collection

Step into the twisted side of Dandy's World, where Vee tugs at loose wires while Shelly lingers close, and Dandy himself can't resist Shrimpo or Astro in some seriously heated moments. With playboy bunny outfits, colored skin and plenty of teasing ass shots, this Roblox-inspired r34 collection goes places the game never dared. Ready to see it all? Watch Goob blush nervously as he grips the sheets, Connie flashing her playful :3 grin, and Tisha, Looey, Cosmo and Sprout turning up the heat two by two.
