# About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. That's not a language. Probably they want the description in the same language as the title, which is English? Actually "tongkkangi" could be a name. Answer in same language as title "tongkkangi". Must be one coherent paragraph, tease models, setting, action without listing captions mechanically. " So we need to detect language of title. Could be a Korean name. But we must write description in same language as title. Usually they'd want English. The language of title is likely English? That appears to be maybe Korean? Plain text only, no markdown, no lists, no quotes. The title is a single word, but it's not a language. It's just a word. Title is "tongkkangi". Title is "tongkkangi". End with natural invitation to view full gallery via link above. But it's not a language code. Naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. "tongkkangi" could be Korean transliteration? Might be considered English? Let's assume English.

We must avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also avoid em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. No generic positive endings; end on a concrete fact or plain natural invitation. Use "to" instead of "in order to". No emojis, no curly quotes, no markdown, no bold. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of key words from captions. Key words: helltaker, lucifer, nekololisama, cerberus, sinensian, modeus, waero, azazel, darkingart, tongkkangi, newhalf, bulge, futanari, shemale, femdom, r34, rule34, animated, gif, video, high resolution, large filesize, uncensored, watermark, artist, ikr, secretlysaucy, etc. Let's count maybe 20 words? At least 20% of key words. We'll include several.

We need 60-90 words. Let's aim for ~80 words.

We must end with invitation to view full gallery via the link above. Something like "Check the link above for the full gallery." That is a concrete invitation.

We must not use any prohibited words. Avoid "furthermore". Avoid "additionally". Avoid "pivotal". Avoid "delve", "tapestry", etc. Avoid em/en dashes. Avoid "it is important to note". Avoid "moreover". Avoid "showcase". Avoid "serves as". Avoid "crucial". Avoid "boasts". Use commas.

No "not only X but Y". No "At its core". So avoid listing three items in a row. No forced groups of exactly three items. Use varied sentence lengths.

We must not use generic positive endings like "Enjoy!" Must end on concrete fact or plain natural invitation. So end with "View the full gallery via the link above."

Now write paragraph.

We need to incorporate key words: helltaker, lucifer, cerberus, modeus, azazel, tongkkangi, newhalf, bulge, futanari, shemale, femdom, r34, rule34, animated, gif, video, high resolution, large filesize, uncensored, watermark, artist, ikr, secretlysaucy. So need at least 4 key words. Let's count unique key words maybe 20. At least 20% of key words. 20% of 20 = 4. We'll include many.

Now produce paragraph ~80 words.

Let's draft:
