About This Collection

Hanabi Hyuuga cannot focus on her work when Naruto is around, and her sister Hinata feels that pull just as clearly. Art comes from agung911 and bowsey, with ass shots and busty frames throughout, plus comics where the Hyuuga name runs wild. This hinabi set pairs both sisters with Naruto and Boruto, moving through creampie scenes and a footjob before Hanabi makes her secret request. The full gallery is behind the link above. Step in and see every frame.
