About This Collection

Eva Ionesco's 1974 silver prints appear as collectible paper editions, captured alongside Jacques Bourboulon in scenes of nude artistry that echo the era's bold photography. Irina Ionesco's own works, including Myriam in a New Look, share the same vintage aesthetic, while Gina La Marca adds another layer of adult imagery. The gallery presents these classic nudes on Telegraph archives, blending historic charm with intimate poses. Explore the full collection via the link above.
