About This Collection

We need to produce a description in Chinese (since title is Chinese). Must naturally reuse at least 20% of key words. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. ", "老司机", "去衣", "张天爱写真", "周也", "推特cos", "神颜神探狸狸球", "斗罗大陆", "ik论坛王楚然", "抖音主播", "2000票", etc. Hard to compute, but we can include many of them.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must be plain text, no markdown, no quotes. No groups of exactly three items. Must be 60-90 words. Also no em or en dashes; we can use commas. No "At its core". No "not only X but Y". Avoid clichés. End with a concrete fact or plain natural invitation. Must be in Chinese.

We need to avoid using forbidden words like "此外" (which is similar to moreover). Use "因为" not "由于". Also avoid "此外". Use "因为". Use "to" not "in order to". Also avoid "另外". Avoid "因为" is okay.

We need to avoid "not only X but Y". , "A, B, and C" is three items; we should avoid that. So we need to avoid listing three items separated by commas with "and". Better to avoid any list of exactly three items. Safer to avoid lists of three altogether. Use two items or one, or more than three? Probably more than three is okay but might be considered a group? We can have two items or more than three? Safer to avoid explicit enumeration of three. " So we should avoid constructing a sentence that lists exactly three items. Also avoid "At its core". We'll keep sentences simple.

We must not use em or en dashes; we can use hyphen? Might be okay but safer to avoid dash. Hyphen is okay? " So we can use hyphen? Use commas.

We must not use quotes.

We need to end with a natural invitation to view the full gallery via the link above. Since we don't have actual link, we can say "点击上面的链接查看完整图集". That's an invitation.

Now we need 60-90 words. Let's craft about 70 words.

We need to include key words: 司机社, 求出处, 求番号, 资源悬赏区, Powered by Discuz!, 老司机, 去衣, 张天爱写真, 周也, 推特cos, 神颜神探狸狸球, 斗罗大陆, ik论坛王楚然, 抖音主播, 2000票 maybe.

We need to reuse at least 20% of key words. Let's count distinct key words: maybe 15. So need at least 3 key words. 20% of 15 is 3. We'll include many.

Now craft sentences.

Sentence 1: "司机社聚集了众多老司机，他们在资源悬赏区不断求出处、求番号，分享去衣需求。" That's about 28 words? Let's count Chinese characters count not needed but approximate. We'll count words roughly.
