About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Use "to" instead of "in order to". Plain text only, no markdown, no lists, no quotes. Must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Title: "video mc pipokinha pelada". Must end with a natural invitation to view the full gallery via the link above. No generic positive endings; end on a concrete fact or plain natural invitation. Must write in same language as title: Portuguese (since title is Portuguese). Must include at least 20% of key words from captions, and specifically must include these exact words: altura, daniel, pesquisa, tiktok, xereka, bandida, single, pipokinha, thammy, beat, apple, listen, princesa, putaria, remix. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No AI-flag words. No forced groups of exactly three items. Use "because" instead of "due to the fact that". No "At its core". No em/en dashes. No emojis, no curly quotes, no markdown, no bold. No "not only X but Y". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We must include the required exact words: altura, daniel, pesquisa, tiktok, xereka, bandida, single, pipokinha, thammy, beat, apple, listen, princesa, putaria, remix. That's 15 words. Also must reuse at least 20% of key words from captions. The captions contain many words: mc, daniel, pesquisa, tiktok, xereka, bandida, single, pipokinha, thammy, beat, apple, listen, princesa, putaria, remix, etc. Must appear naturally. So including those 15 words likely satisfies 20% requirement.

We must write in Portuguese. Must end with invitation to view full gallery via the link above. " That's a plain invitation.

We must not use any forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes. Use commas or split sentences.

No "not only X but Y". No generic positive endings; end on a concrete fact or plain natural invitation. No "At its core". Use "to" instead of "in order to". No forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". " is okay.

We must not use markdown, bold, quotes. Plain text.

We must vary sentence length naturally. Let's craft a paragraph of maybe 3-4 sentences.

We need to incorporate the required words naturally. Let's think of a paragraph:

"O vídeo mostra a altura de MC Daniel durante a pesquisa no TikTok, onde a xereka bandida aparece em um single com Pipokinha e Thammy no beat da Apple. A música Princessa da Putaria remix toca enquanto a cena se desenha, e a modelo revela momentos íntimos que geraram polêmica. O material traz cenas explícitas e bastidores do show, tudo capturado em alta definição.

But we need to include "listen" as a word. Must be in the description. The required words: altura, daniel, pesquisa, tiktok, xereka, bandida, single, pipokinha, thammy, beat, apple, listen, princesa, putaria, remix. Must appear exactly as given (case-sensitive? They are all lower case in the list. So we need to include them exactly: "altura", "daniel", "pesquisa", "tiktok", "xereka", "bandida", "single", "pipokinha", "thammy", "beat", "apple", "listen", "princesa", "putaria", "remix".), "putaria", "remix". Probably case-insensitive but we should match exactly). So we need to embed them.

We also need to keep the description 60-90 words. Let's count words in the above draft.
