About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also "watch hentai petite adult girl 18+ get creampied by tentacle demon monster". Captions include many terms: "nihaotomita", "Chapter 1", "Page 7", "Page 9", "Page 10", "Page 6", "Page 23", "The Dog And The Slut", "Nature’s Things (Pocahontas)", "DonnaTubbs", "RobertaTubbs", "TheClevelandShow", "Recopilación De MILFs", "She Has Never Done This With Me", "They are harmless, they are just bugs, even tho they are alien", "Atlantis:TheLostEmpire HelgaSinclair MiloThatch", "jessica rabbit goofy", "The Lifeguard". No generic positive endings; end on a concrete fact or a plain natural invitation. Also "watch hentai petite adult girl 18+ get creampied by tentacle demon monster". Use at least 20% of key words from captions (names, nicknames, distinctive terms). Must end with natural invitation to view the full gallery via the link above. Must be one coherent paragraph, not list, no markdown, no quotes. Let's count distinct key words: maybe we can reuse some like "nihaotomita", "Chapter 1", "Page", "The Dog And The Slut", "Nature’s Things", "Pocahontas", "DonnaTubbs", "RobertaTubbs", "TheClevelandShow", "MILFs", "She Has Never Done This With Me", "alien", "Atlantis", "HelgaSinclair", "MiloThatch", "jessica rabbit", "goofy", "The Lifeguard". Also no em/en dashes, no "not only X but Y", no "At its core", no forced groups of exactly three items. Need to reuse at least 20% of key words. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". " Must be plain text, no markdown.

We need 60-90 words. Let's craft ~75 words.

We need to reuse at least 20% of key words from captions. That's 10 distinct terms. Let's decide to reuse about 10 key words: "nihaotomita", "Chapter 1", "Page", "The Dog And The Slut", "Nature’s Things", "Pocahontas", "DonnaTubbs", "RobertaTubbs", "TheClevelandShow", "MILFs". Need to ensure they appear in description.

We need to avoid using quotes and no em/en dashes. Use commas.

We must not use AI-flag words. Avoid "boasts". Could just have two items or more than three? Might be safer to avoid any enumerated list with exactly three. Also avoid "not only X but Y". Also must avoid "it is important to note". We can have two items or four or more? Avoid "serves as". Also avoid "additionally". Safer to avoid lists of three items separated by commas with "and". "forced groups of exactly three items" means we shouldn't have exactly three items in a group. Avoid forced groups of exactly three items: we must not have exactly three items in a list like "A, B, and C". Avoid "moreover", "furthermore". Safer to avoid listing three items with commas and "and". We'll just not do list structures.

We must not use em or en dashes; we can use hyphen? That's fine. Probably okay if it's part of a term like "The Dog And The Slut". " So we can use hyphen as part of a word? Avoid using — or –.

We need to keep language same as title: title is "nihaotomita" which is lowercase. Probably English? The description should be in same language as the title, regardless of captions language. The title is just a string, language? It's just lowercase letters, but we assume English. So write in English.

Now craft description ~75 words.

Include key words: nihaotomita, Chapter 1, Page, The Dog And The Slut, Nature’s Things, Pocahontas, DonnaTubbs, RobertaTubbs, TheClevelandShow, MILFs.

Make sure we don't accidentally use "The Dog And The Slut" exactly as phrase. That's fine.

Write: "In nihaotomita Chapter 1 you'll find scenes ranging from Page 6 to Page 23, featuring The Dog And The Slut alongside Nature's Things (Pocahontas) with DonnaTubbs and RobertaTubbs from TheClevelandShow, plus a MILFs collection that hints at alien encounters and more. See the full gallery above."

Now count words.
