About This Collection

Geto x Gojo r34 delivers 2boys in explicit jujutsu kaisen scenarios, from tender kisses to balls-deep anal. With gegoporn's signature style, no visible genitalia keeps it censored, yet every muscle, blush, and open mouth tells the story. Gojo's ahoge and blindfold take focus, while Geto's hands grab his hips, pushing deep before the begging starts—for mercy, then for more. Explore the full gallery via the link above.
