About This Collection

Ririsu Amano makes a strong first impression here, and ririsuamano07 and ririsuamano81 carry the set through. One reviewer came to Osaka just to meet her, a Japanese Twitter girl with a naughty ninja streak and a private photo stack that keeps growing. The selfie frames sit beside an outcall session and a long squirting scene, all shot in close, intimate comfort. S. too. Click the link above to see the full gallery.
