About This Collection

The gallery gathers creators like GreyScarborough and Scynyara around the theme of breastvore, where models such as Kitsune with three tails, Tifa, and AlcinaDimitrescu take part in soft, spongy encounters that grow in volume. The collection mixes animation with stills, commissions open and fan art, on ThisVid, Twitter, and YCH. Some scenes lean into entrapment and escape, others into milk generator and smug face vore, all tied by fondler, m rr34, and Mucsf95. Ruby Boob and Skookz show cleavage with breasts bigger than head, wide hips, and hyper forms, while LadyDimitrescu brings a GTS shrinking twist. You can view the full gallery through the link above.
