About This Collection

piyo 122 gathers several Japanese adult works where the action turns raw and personal. Sarara Uruki, Hitomi Honda and Yuri Adachi star in a first time pairing with a sixty year old, and one partner slides in slippery after real cum is used as lube. A scene asks what happens when a cock is milked until moans spill out, while another follows a beloved daughter forced into a throaty new role by a boss she hates. A genuine nakadashi doctor scene delivers impregnation, and the gallery provides information about hundreds of thousands of Japanese adult titles linked above.
