About This Collection

Wenclair is real in 2025, and this fan art proves it. From Juanmaoao to Shining Star, artists keep drawing this pairing because fans keep wanting more. The art mixes Critical Role fan art with cute lesbian couples, all tied together with roses, rainbows, and a playful WEEnDy tag. One sits on the ground while the other wraps around them, a tender scene straight from the winter dance. The gallery gathers pin-up style illustrations, anime sketches, and soft black and white line art into one place. Two people hug tightly with hearts floating above them, eyes closed in quiet intimacy. Wednesday and Enid appear in matching icons, Lwa anime style, alongside Coraline characters and the Addams Family. View the full gallery above.
