

Oracle Me: Employee Experience & Astrology Deck

Photo Gallery

About This Collection

The Oracle Me gallery captures moments from the employee experience platform that Oracle ME promotes, where models pose beside sleek dashboards and glowing screens. Camille and Gary appear in casual office settings, their expressions shifting between concentration and ease as they interact with the Astrology of You and Me oracle deck spread across a minimalist desk. A model in a white shirt leans forward to reveal a hidden message card, while another adjusts her headset after a video call about the Top HR Product of 2022. The background includes subtle references to Oracle HCM Update 25D and the EDM track Around Me playing quietly through wireless speakers. Each shot blends work and intuition, showing how data and personal insight meet in modern HR tools. The lighting stays soft yet focused, highlighting the 77 cards laid out like a Tell Me You Love Me oracle reading for two. View the full gallery through the link above.
