About This Collection

We need to write a description in same language as title: title "elle goodman pack 😈" is English (plus emoji). So description must be English.

We must reuse at least 20% of key words from the captions (names, nicknames, distinctive terms). Also "Slideshow". com", "ella goodman". ".

We need to avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes, no quotes, no lists, no markdown, no bold.

We must not use "not only X but Y". Use "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or a plain natural invitation. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid "At its core". Use "to" instead of "in order to". End with natural invitation to view the full gallery via the link above. Avoid forced groups of exactly three items. " Something like that. Must be plain text.

We need to reuse at least 20% of key words from captions. But we must reuse at least 20% of the key words from the captions. That's many. Not required to reuse all, just at least 20%. Let's count distinct key words: we need to pick some and reuse them. Probably easiest: include "ellegoodman", "Ellegoodman", "Lucy Jones", "Aninha Lopes", "StepSister", "Stepmom", "incestwhore", "curvyroadgirl", "ellen goodman", "ella goodman", "NO PENETRATION". So we can include a handful.

We must avoid quotes, so no quotation marks. The title has emoji, but description can't have emojis? Avoid dashes. Avoid emojis? So description must not contain emojis. Title may have emoji but description must not. The instruction: "Never use emojis". So we need to avoid the devil emoji.

We must not use markdown, no bold, no lists.

We must vary sentence length naturally.

We must keep every claim supported by the provided captions. So we cannot claim something not in captions. So we can say that the gallery features Elle Goodman, Lucy Jones, Aninha Lopes, etc, and includes slideshow content, no penetration, etc. Those are supported.

We need to end with a plain natural invitation to view the full gallery via the link above. So final sentence: "View the full gallery via the link above." That is okay.

Now we must avoid AI-flag words list. Let's check each word we plan to use.

We'll write something like:
