About This Collection

Enter the seductive world of mosouko, where FateStay Night's Medusa and Rider can't get enough. From Sakura's Nightmare to monochrome megane fantasies, Soko's ongoing gallery blurs elegance with raw desire. Emiya Shirou, Hildr, and Lancer all fall under this spell, each image teasing a darker, intoxicating side of the Fate universe. Don't miss the full collection—click the link above to see every provocative piece.
