Summer Knight

About This Collection

Sonja Harrison strips away the daylight in this sultry Summer Knight set, where golden hour light catches every curve as she reclines against weathered wood. She moves with slow, deliberate grace, a cigarette dangling from her lips as shadows deepen around her. The air feels thick with possibility, her dark hair spilling across the pillow like a promise. The scene pulses with quiet heat, her bare skin glowing beneath a loose shirt left open, fingers tracing the line of her thigh.
