About This Collection

We need to produce description in same language as title: title is German: "ambulante pflege nach schlaganfall". So output must be German.

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions provided. No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Plain text only, no markdown, no lists, no quotes. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Never use "not only X but Y" constructions, "At its core", or forced groups of exactly three items. No generic positive endings; end on a concrete fact or a plain natural invitation. Turn them into one coherent, engaging paragraph that teases the models, setting and action without listing captions mechanically. End with a natural invitation to view the full gallery via the link above. Answer in same language as input (German). Naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Never use em or en dashes; split the sentence or use a comma. Vary sentence length naturally, state things directly, and keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions: we can reuse words like "Rehabilitation", "Schlaganfall", "Pflege", "Nach dem Schlaganfall", "rehavital", "Ambulante Pflege", "Magdeburg", "Korian", "Pflegeagentur 24", "Physiotherapie", "Unterstützung", etc. Must translate rest as needed (but we are writing German anyway). So we need to incorporate some of these terms.

We need to avoid forbidden words: "delve", "tapestry", etc. They said never use em or en dashes; split the sentence or use a comma. Also avoid "it is important to note", "serves as", "boasts". Actually hyphen is okay? Also avoid "additionally", "moreover", "furthermore". Avoid em/en dashes (so use hyphen? Probably okay but safer to avoid hyphen that looks like dash. So we can use hyphen-minus? Also avoid "showcase". Also avoid "crucial", "pivotal". Use commas.

No "not only X but Y". So avoid listing three items in a row like "A, B, C". No forced groups of exactly three items. Could be okay if not exactly three? Safer to avoid triples.

We need to end with a natural invitation to view the full gallery via the link above. So something like "Schau dir die komplette Galerie oben an." Or "Siehe dir die vollständige Galerie über dem Link an." Must be plain natural invitation.

We need 60-90 words. Let's craft about 70 words.

We must not use sales language like "amazing", "incredible". Keep neutral.

We need to ensure we don't use forbidden words. Let's list forbidden: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also avoid em dashes — and en dashes —. Use commas.

Also avoid "nestled", "breathtaking", "unforgettable". Avoid generic positive endings.

Let's write:

"Die Bilder zeigen Menschen nach einem Schlaganfall, die in der Rehabilitation Übungen machen, unterstützt von Therapeuten von rehaVital und Pflegediensten in Magdeburg. Manche Szenen zeigen ambulante Pflege zu Hause, andere die Arbeit von Korian und Pflegeagentur 24 beim Alltagstraining. Sie sehen Physiotherapie, Unterstützung für Angehörige und den Weg zurück ins Leben.
