About This Collection

1. Analyze the Request:

Task: Write a short enticing description (60-90 words) for an adult photo gallery.

Source Material: Scrambled site captions provided in Chinese and English.

Goal: Turn them into one coherent, engaging paragraph that teases the models, setting, and action without listing captions mechanically.

Constraint 1 (Keyword reuse): Naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms). Translate the rest as needed.

Constraint 2 (Ending): End with a natural invitation to view the full gallery via the link above.

Constraint 3 (Formatting): Plain text only, no markdown, no lists, no quotes. No em or en dashes; split the sentence or use a comma. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to"; use "because" instead of "due to the fact that". No "not only X but Y" constructions, "At its core", or forced groups of exactly three items. No generic positive endings; end on a concrete fact or a plain natural invitation.

Constraint 4 (Vocabulary): Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Constraint 5 (Language): The gallery title is "推特红烧西蓝花". Wait, the title is Chinese, but the captions are mixed Chinese/English. The prompt says: "The gallery title is: '推特红烧西蓝花'. The entire description must be written in the same language as this title (Chinese). " So the output must be in Chinese.

Constraint 6 (Specifics): No emojis, no curly quotes, no markdown, no bold text. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

2. Analyze the Source Captions (Keywords & Concepts):

"露 脸 才 是 王 道" - Good looks are king / Face is the capital.
