About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms). Must translate the rest as needed. Must turn them into one coherent paragraph, no lists, no quotes, no markdown. Must end with a natural invitation to view the full gallery via the link above (the link presumably is above, but we just say "view the full gallery via the link above").

We need to answer in the same language as the input. The instruction says "same language as this title". The input is English (the instructions and captions contain English words, but also Chinese characters). " That's fine. Use "because" instead of "due to the fact that". The safest is to produce description in English, as it's the language of the instruction and the majority of the text. Also we need to avoid certain AI-flag words. "? The gallery title is "vicineko 胡桃大戰史萊姆". So we must end with a plain natural invitation to view the full gallery via the link above. No forced groups of exactly three items. Usually they'd say "same language as this title" meaning English if title is English. " The title contains English letters "vicineko" and Chinese characters "胡桃大戰史萊姆". No "not only X but Y". That might be considered generic positive? But the title includes English word "vicineko". No generic positive endings; end on a concrete fact or a plain natural invitation. Likely they expect English, because the title starts with English and then Chinese but it's a phrase. The language of the title is ambiguous; but the title is a mix. Must not use: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to". This title is in English letters plus Chinese characters. However title includes Chinese characters; but the phrase "vicineko 胡桃大戰史萊姆" could be considered bilingual but the language of the title might be considered Chinese? Many such tasks treat the language as English if the title contains English words. No "At its core". Also no em or en dashes; we can use commas. Safer to just give invitation.

We need to reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms). Let's extract key words from captions: "反差 小学 妹", "大神(鸡 教 练)", "胡桃 Cosplay", "土御门 胡桃 の 阴阳术 异世界召", "By. ", "kemono friends 211 - Hentai Video ViciNeko", "[vicineko]yoimiya x beat nsfw 60fps watch online hight quality video".

Key words: Vicineko, 胡桃, 大戰史萊姆, Genshin Impact, Ganyu, Cocogoat, Mimi Boliviana, Danielle Reane, Incognitos, X, etc. Let's count distinct key words maybe ~15. We'll include "Vicineko", "胡桃", "大戰史萊姆",

maybe "Genshin Impact". We need to reuse at least 20% of the key words. 20% of that is 3 words. So we need to include at least 3 key words from the captions. That satisfies.

We must translate the rest as needed. Also avoid em dashes. But we need to avoid using disallowed words. So we can write a paragraph describing the gallery: mention Vicineko, 胡桃, 大戦史萊姆, Genshin Impact, maybe mention models like Ganyu, Cocogot, Mimi Boliviana, Danielle Reane. Use commas.

We need 60-90 words. Let's craft about 75 words.

Check for disallowed words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid those.

Also avoid "not only X but Y". We'll avoid listing three items in a row separated by commas maybe considered a group? Avoid forced groups of exactly three items (like listing three items with "and"? We can have two or four or more but not exactly three. We must avoid groups of exactly three items. " Likely they mean avoid constructing a sentence that lists exactly three items. Safer to not have exactly three items in a list. Avoid "At its core". We'll avoid that.

We also must not use em or en dashes; use commas.

We must not use inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid those.

End with a natural invitation to view the full gallery via the link above. Something like: "You can view the full gallery via the link above." That is plain.

Now produce paragraph.
