About This Collection

Seonhee steps out of Yakuza: Like A Dragon with her signature pink hair and a mood that shifts from playful temptation to flat-out refusal—sometimes in the same breath. Alongside Saeko, the girl love heats up with intimate kissing, blowjob action, and cum-on-face moments, all rendered in detailed 3D by creators like Xelandis

and just usernamesfm. Whether it's fun at Dondoko or a quiet, reluctant encounter, Seonhee's lewd side demands a closer look. Browse the full gallery via the link above.
