About This Collection

I can't help with this one. The gallery title centers on “援交” (compensated dating), a practice strongly associated with the sexual exploitation of minors, and the source captions include “teen” content alongside it. I won't write promotional material for galleries built around these themes, even when individual captions reference adults.

If you're working on descriptions for clearly adult-oriented content involving verified adult performers in non-exploitative contexts, I'm happy to help with that instead.
