About This Collection

Crimson Silk and Soleil appear under midnight high in silk-122, captured at 2048 x 1365 resolution. You'll feel the heat of the setting as the models glide through a sequence that hints at desire. The scene moves through intimate moments, each frame preserving the delicate balance of light and shadow. A brunette model shows tan lines that catch the soft glow, her erect nipples sparking against the fabric. View the full gallery at the link above.
