About This Collection

Rule34 strikes again with this Ninjago gallery centered on the fiery Nya. With 60 photos of girls and guys in every combination, the page captures the playful energy of the show twisted into adult scenes. She's joined by Jay, Lloyd, and Cole in a mix of explicit hentai and porn comics that push the Lego ninja world into raw, naked action. The artwork ranges from silly to intense, so jump in and explore the full gallery via the link above.
