About This Collection

We need to produce a need to write description in same language as title. Must not use AI-flag words, etc. Title is Persian: "فیلمهای سینمایی صحنه دار". But must keep description in Persian language, but can embed English terms. No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. No "not only X but Y". Captions include many English words and some Persian fragments like "پسره کیرشو کرده تو کون دوست دخترش اوغم کمش میماله". Use "because" instead of "due to the fact that". We need to reuse at least 20% of key words. Croix, Jesse Jane, Shay Jordan, Crystal Rush, David Bowie, etc. So description must be Persian language (Farsi). Must end with natural invitation to view the full gallery via the link above. We can include some of those Persian words, plus some English names like Steven St. No forced groups of exactly three items. Use "to" instead of "in order to". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Also no em or en dashes; use commas or split sentences. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. Must not use certain prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". " That's a plain natural invitation.

We must avoid markdown, quotes, lists. Use straight quotes if needed? No emojis. No curly quotes. Plain text only. Probably avoid quotes altogether.

We need to vary sentence length, state things directly, keep claims supported by captions. We can reuse that phrase or parts. Also reuse some names: Steven St. Use some Persian phrase from caption: "پسره کیرشو کرده تو کون دوست دخترش اوغم کمش میماله". So we can mention some actions: watching video, etc. Croix, Jesse Jane, Shay Jordan, Crystal Rush, David Bowie, etc. Must reuse at least 20% of key words; we can include several.

We must not use prohibited words. Avoid "because" is allowed. Use "because". Avoid "delve". Avoid "in order to". Use "to". Also avoid "moreover", etc. Ok.

We must not use em or en dashes; use commas or split sentences.

No markdown, no bold. Just plain text.

Write in Persian. Let's craft a paragraph.

Potential description: "در این مجموعه فیلمهای سینمایی صحنه دار، مشاهده می‌کنید پسره کیرشو کرده تو کون دوست دخترش اوغم کمش میماله، همچنین صحنه‌ای با استیسن سانت کروس، جs جین و شای جردان، و کلیپ کریستال راش که بلافاصله بلع می‌کند. همچنین قطعاتی از دیوید بویی، رپ تورن و دیگران را در عمل می‌بینید. برای دیدن تمام تصاویر، لینک بالا را بزنید."

Check prohibited words: none. No "moreover". We said "استیسن سانت کروس، جس جین و شای جردان" that's three items separated by commas and "و". No "furthermore". So we need to avoid exactly three items in a list. No "vibrant". No "serves as". No "crucial". No "delve". We have maybe three items in a list? No "testament". No "landscape". The instruction says: "Never use ... No "showcase". Use commas. No "tapestry". No "not only X but Y". No "moreover". No "At its core". No "it is important to note". No "boasts". " That likely means avoid listing exactly three items as a group. No forced groups of exactly three items. No "additionally". That is a forced group of exactly three items? No em or en dashes. No "pivotal". Could change to two or more than three. Let's adjust: maybe mention two names or four names.

We can say: "استیسن سانت کروس و جس جین، همچنین شای جردان". Let's mention four: استیسن سانت کروس، جس جین، شای جردان و کریستال راش. That's four items, not exactly three. Might still be considered three. That is still three? Actually it's two plus another separated by "و". Safer to mention only two names, or mention more than three like four. Good.

We also need to avoid "because" replaced? Actually we can use "because". It's allowed. Not required.

We must ensure we reuse at least 20% of key words from captions. Key words include names and Persian phrase. Also maybe دیوید بویی (David Bowie) etc. We have reused Persian phrase exactly: "پسره کیرشو کرده تو کون دوست دخترش اوغم کمش میماله". Croix), جس جین (Jesse Jane), شای جردان (Shay Jordan), کریستال راش (Crystal Rush). Also we reused names: استیسن سانت کروس (Steven St. That should satisfy.
