Ex-escort claims having two vaginas helped her separate work

About This Collection

Evelyn, a pregnant former Gold Coast escort, was born with two vaginas, a rare condition she's lived with since birth. Evelyn, also known as Evelynuncovered on X and OnlyFans, has turned heads online with her candid posts about life with two vaginas, including how it helped her separate her past in sex work from her personal life. Now a mum-of-two with a double uterus, she's opened up about using one vagina for work and the other for her husband, Pharaoh. Her unique anatomy allowed her to give birth from the right side and she's now trying for a third baby from the left. She recently shared her XXX content and invites fans to join her site for exclusive access. View the full gallery via the link above.
