About This Collection

We need to produce a short description (60-90 words) for an adult photo gallery based on scrambled captions. Must write description in same language as title, which seems like placeholder "xxxxwwwww" (maybe English). Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Title is "xxxxwwwww". So we write in English.

We must not use certain forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No em or en dashes; use commas or split sentences. Use "because" instead of "due to the fact that". No "not only X but Y". Use "to" instead of "in order to". No "At its core". No forced groups of exactly three items. No generic positive endings; end on a concrete fact or a plain natural invitation. No emojis, no curly quotes, no markdown, no bold text. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of key words from captions. Identify key words: names, nicknames, distinctive terms. cc, Five things to stream this weekend: Alison Brie subverts the romcom, plus Babylon burns Hollywood down - The Globe and Mail, Hot oriental tart gets fucked by the latina, sex with the Bosss Wife, Rika who Is.

We need to reuse at least 20% of key words. Let's list some key words: Sunny Leone, Mi Ha Doan, Operation Escort, Raja Rani, XXXi.PORN, Bbw Porn, Girls masturbate and suck cocks, कविता अपने भाई के साथ सेक्स कर रही है, Inexperienced gay matty, Matty, FAKEhub, The Hotel Room, Catfish me as my 18+F daughter, Send Daddy a provocative picture, F porn-star, catina f porn, RedXXX.cc, Alison Brie, Babylon burns Hollywood down, Hot oriental tart, latina, Bosss Wife, Rika.

We need to reuse at least 20% of them. So we need to include at least 4 of those key words in description. Suppose we have about 20 key words; 20% is 4 words. We'll reuse some like Sunny Leone, Mi Ha Doan, Raja Rani, Rika perhaps.

We must avoid forbidden words. Also avoid using "and" in groups of exactly three items? Safer to avoid triples like "A, B, and C". Actually "forced groups of exactly three items" means we shouldn't list exactly three items in a list? We'll just not create such groups.

We need to keep description 60-90 words. Let's craft ~70 words.

We need to ensure every claim is supported by captions. So we can say: "Sunny Leone appears in a solo tease, Mi Ha Doan stars in an escort scene, Raja Rani shows her serial-actress side, and Rika plays the boss’s wife in a latina encounter." Those are supported.

We need to end with a natural invitation to view the full gallery via the link above. So something like "See the full set above." That is a plain natural invitation.

We must avoid using "the link above" maybe okay. It's not forbidden. Use plain text.

Check forbidden words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". We'll avoid those.

Also avoid em or en dashes; use commas. Avoid "At its core". Avoid forced groups of exactly three items. Avoid "not only X but Y". Might be okay if we avoid exactly three items. We'll not have exactly three items in a list separated by commas? Safer to have two or more than three but not exactly three. Let's have maybe four items.
