About This Collection

Shinonome Akito and Aoyagi Toya bring the Project Sekai rivalry into an adult r34 set, with nerd Toya and jock Akito trading matching pfps for a closer look. Akito x Toya stays the focus as the pair move from profile picture setup to explicit action. A Silver Wolf cameo appears with Danbooru Rule34 tags for anyone who knows the search. The gallery teases matching icons and a oneshot mood, then moves to an Anal 2024 finish. View the full gallery via the link above.
