HOKEJ: HC Slovan Bratislava - HK Poprad: ONLINE prenos z Tip

Slovan - Zvolen: ONLINE predkolo play-off, Tipos extraliga (

Priame televízne prenosy HC SLOVAN Bratislava

About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "not only X but Y". No "At its core". Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Title is lower case, presumably Slovak (the words are Slovak). Must reuse at least 20% of

key words from captions (names, nicknames, distinctive terms), translating the rest as needed. Use "to" instead of "in order to". We need to write entire description in same language as this title, regardless of captions language. No emojis, no curly quotes, no markdown, no bold text. No forced groups of exactly three items. So we need to write description in Slovak. The title: "tipos extraliga slovan bratislava". So we need to include some words like "HC Slovan Bratislava", "Tipos extraliga", "Hokejový puk", maybe "HK Dukla Ingema Michalovce", "Banská Bystrica", "Nový Zámky", etc. Also no em or en dashes; we must split sentences or use commas. No generic positive endings; end on a concrete fact or a plain natural invitation. Use "because" instead of "due to the fact that". Must be plain text only, no markdown, no lists, no quotes.

We need to produce 60-90 words. Let's aim for ~75 words.

We need to avoid AI-flag words; we must check.

We need to end with a natural invitation to view the full gallery via the link above. It's an invitation. " That is a plain natural invitation. That ends with a concrete fact? " So we end with that invitation.

We must not use quotes. So we cannot put the invitation in quotes. " Ensure no quotes.

We must not use em or en dashes. Use commas.

We must not use "not only X but Y". Avoid.

We must avoid forced groups of exactly three items. " Likely they mean avoid listing exactly three items as a group. So we should not list three items in a row separated by commas? We can avoid that.

We need to reuse at least 20% of key words from captions. Ahnelov", "OM-16", "RM karty", "Nitra", "Zvolen", "HC 07 Detva", "nové dresy", "sezóna 202223", "Banská Bystrica", "HK Poprad", "Dunajská Streda", "Tigran", "Nové Zámky", "BK Slovan Bratislava", "Slovenská basketbalová asociácia", "Fortuna ligy", "ŠK Slovan", "MŠK Žilina". Key words: names, nicknames, distinctive terms. So we need to include at least some of them. Many.

We need to reuse at least 20% of these key words. So we need to include at least 6 distinct key words from the list. If we have maybe 30 key words, 20% is 6 words. We'll include many.

We need to translate the rest as needed. So we can write sentences in Slovak, using those key words unchanged.

We need to avoid AI-flag words. Let's list them: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". We'll avoid those.
