About This Collection

We need to write a short description (60-90 words) for an adult photo gallery based on scrambled site captions. The captions are all about "Public Works", but we need to produce an adult photo gallery description. However we must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms). svg", "Public Works Food Drive", "City of Essex Junction, Vermont", "Have you all heard of Public Works?

We need to reuse at least 20% of key words. We need to incorporate at least 20% of key words from captions. " That is plain natural invitation. Must end with natural invitation to view the full gallery via the link above. Also maybe "Los Angeles County", "Lake Hugh Ed McGuire", "Florence", "Oregon", "Scott Edwards", "Foley", "rochesternh", "All Cops are Dogs", "North Yarmouth", "Ministry of Public Works", "Essex Junction", "Prairie Village", "Clark & Enersen", "Alamy", "representation", "feminism", "street food", "DPWH". Must not use "At its core". 20% of them is about 4. Must not use "delve", "tapestry", etc. Likely we can reuse "Public Works" many times. That's about 18 distinct phrases. Must not use em or en dashes; we can use commas or split sentences. Must not use inflated importance, sales language, clichés. Must not use generic positive endings; end on a concrete fact or plain natural invitation. So we need to reuse at least 4 of these key words. Also we need to avoid AI-flag words etc. Use "Public Works" multiple times, maybe "Los Angeles County", "Foley", "Scott Edwards". Let's count distinct key words maybe: "Public Works", "Los Angeles County", "Lake Hugh Ed McGuire", "Florence", "Oregon", "Scott Edwards", "Foley", "rochesternh", "All Cops are Dogs", "North Yarmouth", "Ministry of Public Works", "Essex Junction", "Prairie Village", "Clark & Enersen", "Alamy", "representation", "feminism", "street food", "DPWH". Must not use forced groups of exactly three items. Must not use "not only X but Y". Must not use emojis.

We need to write description 60-90 words. Must avoid clichés like "nestled", "breathtaking", "unforgettable". Must not use "due to the fact that". Use "to" instead of "in order to". Let's aim around 70 words. Avoid prohibited words. Must not use "because" is allowed. Must not use "moreover", "furthermore", etc. Must avoid generic positive endings; we end with invitation.

We must not use "it is important to note". Also avoid "not only X but Y". Avoid "additionally". Avoid "crucial", "pivotal". Avoid "serves as". Also avoid "additionally", "moreover", "furthermore". Avoid "moreover". Also avoid "crucial", "pivotal". Avoid "boasts". Avoid "serves as". Avoid "furthermore". Also avoid "At its core". Also avoid "delve", "tapestry", "vibrant", "testament", "landscape", "showcase". Avoid "it is important to note". Avoid "boasts". Also avoid forced groups of exactly three items (like "X, Y, and Z").

We need to vary sentence length naturally. Avoid using em dash or en dash. Use commas, but not dash. So just commas and periods.

Now we need to incorporate at least 20% of key words from captions. We'll include: "Public Works", "Los Angeles County", "Foley", "Scott Edwards". Also maybe "All Cops are Dogs". That's enough.

Write description: talk about adult photo gallery? The captions are about public works; we need to turn them into an enticing description for an adult photo gallery based on scrambled site captions. So we need to imagine adult photo gallery with models in public works setting? So we need to tease models, setting, action without listing captions mechanically. " Use the key words.

We must not use inflated importance or sales language. Must ensure each claim is supported by captions: Los Angeles County Public Works appears, Lake Hugh Ed McGuire appears, Foley Public Works appears, Scott Edwards appears, All Cops are Dogs appears. " Something like that. Keep claims supported by provided captions. Good.

Now ensure length 60-90 words. Let's draft about 70 words.

Draft:

"The gallery captures models amid Los Angeles County Public Works scenes, wandering beside Lake Hugh Ed McGuire while a Foley crew readies equipment. Inspired by Scott Edwards' architectural sketches, the shots nod to the bold statement All Cops are Dogs, blending utility with playful tension. View the full gallery via the link above."

Now count words.
