About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating the rest as needed. Use "to" instead of "in order to". No emojis, no curly quotes, no markdown, no bold text. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or a plain natural invitation. No AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must be plain text, no markdown, no lists, no quotes. No forced groups of exactly three items. Use "because" instead of "due to the fact that". No "not only X but Y" constructions, no "At its core". No em or en dashes; split the sentence or use a comma. Vary sentence length naturally, state things directly, and keep every claim supported by the provided captions.

Gallery title: "starkylol hannah". Write entire description in same language as this title, regardless of captions language. Title is English words, so description must be English.

We need to reuse at least 20% of key words from captions. " maybe "cunnilingus"? " "thx SauceNAO. iqdb. iqdb. Identify key words: names, nicknames, distinctive terms. " "SauceNAO. SauceNAO.

Key words we can reuse: Starkylol, Hannah, Snacky Chann, Lusty Model, Brunette, Fit, Shaved Pussy, Fingering, Dr Hannah, tentacle dildo, ass, Hannahjet, Statewins Teen Mogan Sizemore, Starkylol Girl 13, hannahlourens, step-mommy, etc.

We need at least 20% of key words. If we have maybe 10 key words, 20% is 2 words. So we need to reuse at least 2 key words. Safer to reuse several.

We must not use AI-flag words; avoid those listed. The rule says "forced groups of exactly three items". Avoid "crucial", "pivotal". Safer to not have exactly three items in a list. Having two or four is okay. So we should avoid having exactly three items in a list. Avoid "At its core". Also avoid "moreover", "furthermore", "additionally". Avoid "showcase". We can have two items or more than three? Avoid "not only X but Y". Avoid forced groups of exactly three items (so cannot list three items in a row like "A, B, and C"? Might be okay if not exactly three? Avoid "serves as". Avoid "it is important to note". Safer to avoid listing three items separated by commas that could be considered a group of exactly three. Avoid "boasts". Avoid "delve", "tapestry", etc. Better to avoid list constructs altogether.

We must not use em or en dashes; we can use commas or split sentences.

We must not use quotes. So no quotation marks.

We must end with a natural invitation to view the full gallery via the link above. The link is presumably provided above? In the prompt there is "LINK : Click Here" etc. " That is a plain natural invitation.

We must keep every claim supported by the provided captions. For example: "Starkylol and Hannah appear in various scenes", "Snacky Chann spreads her legs", "Brunette model", "Fit body", "Shaved pussy", "Fingering", "Tentacle dildo deep in ass", "Hannahjet sex video", "Statewins Teen Mogan Sizemore", "Starkylol Girl 13",

"hannahlourens webcam", "step-mommy loves to ride your cock". So we can only say things that are mentioned in captions. We must not claim things not in captions.

We need 60-90 words. Let's craft about 70 words.

We need to avoid AI-flag words. Let's list them to ensure not used: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also avoid em dashes — and en dashes –. It's not em or en dash. Also avoid forced groups of exactly three items. Also avoid "not only X but Y". Use hyphen? Also avoid "At its core". Hyphen is okay? Probably fine.
