Viktor and Jayce Arcane League of legends characters, Lol l

About This Collection

Jayce and Viktor, the Arcane pair fans call JayVik, get a full comic treatment here. Watch Viktor evolve toward the Herald while Jayce struggles to accept there is no way to solve it. Valentine gifts go wrong, drinks pour, and unmasking a certain Runeterra panel leads somewhere heated. Hypotheses and theories give way to pounding, brainstorming, and a poor man who never stood a chance. See every page in the full gallery at the link above.
