About This Collection

Mistress Weronika loves being bad, and she never gives her slave an orgasm. The 4K collection from Clips4sale adds sissy training and Polish language scenes. This avid facesitter also loves to facefuck a regular guy, and strapon femdom fans get plenty of her in control. Watch him squirm locked in a cock cage, balls bulging with cum she refuses to release. In latex and stockings she ties and pegs her helpless sub without mercy. Click the link above to view the full gallery.
