About This Collection

Dollscult brings Melody, Shane, Sissi and the crew together in raw POV threesomes that capture every facial, creampie and deepthroat moment. The satanic family scenes show a stepbrother and his girlfriend sharing a shower before an anal finish, while Melody squirts on the couch after a hard fingering session. Each clip is shot from Shane's perspective, letting you watch the action unfold as if you were there. Click the link above to see the full gallery.
