fubuki and saitama (one-punch man) drawn by oliverror Danboo

Recommended.

About This Collection

The gallery collects several illustrations of fubuki from OnePunchManHentai, each rendered by a different artist such as kofuuboat, akinohamo, unfairr and oliverror on Danbooru. The images were rescued after the original source disappeared, so they remain accessible through the random scroll gallery. A few pieces also pair fubuki with saitama, adding variety to the set. Click the link above to view the full collection.
