About This Collection

A sleek sheikah slate iphone wallpaper brings the mysterious tech of Hyrule to your screen. Whether you're exploring shrine trials or charging your iphone 12 with magsafe, the sheikah slate theme keeps the adventure alive. The design mirrors the iconic device seen in Zelda Breath of the Wild and Tears of the Kingdom, blending ancient runes with futuristic style. Fans of the Legend of Zelda timeline 2023 will recognize the purah pad influence, while others admire the sharp sheikah symbol details. Some prefer a 3D printed phone case version, but this digital take offers the same bold look. View the full gallery via the link above.
