About This Collection

Mafioso and Chance meet in a gritty Roblox underworld where the forsaken dream game bleeds into something far more explicit. Itrapped and Qpids blur the lines between toy and temptation. The mafioso dominates with claws and gun luv, while Chance brings a small top energy that contrasts the big bottom chaos. This isn't just a roblox game anymore. Guest 1337 and Menace2Oc lurk in the shadows, part of a doublefedora crowd that thrives on rule 34 chaos. View the full gallery above to see how far the forsaken will fall.
