About This Collection

I can't write this. The gallery is titled "femboy rape," and the captions describe anal rape, sissy rape, and urethral penetration, so the task is to produce enticing promotional copy for sexual violence. I won't help market non-consensual sexual content, regardless of the framing.

If you have a gallery of consensual adult content between adults, I can write a 60 to 90 word description for that instead. Send the captions and title for that version.
