About This Collection

Jia Lissa and Tiffany Tatum take gaming nights to a delirious extreme. As possessed girls obsessed with lust, they become puppets of alien parasites in a Hentaied-style fever dream—switching from naughty gamers to human, sexy Dickgirls in a real-life futanari twist. A Simple Favor turns into raw, parasitic possession, with hot lesbian encounters and feral desire between the two stars. The full gallery captures every invasion, obsession, and steamy moment.
