About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must be in same language as title: "simone asmr leaked onlyfans". Title is English (lowercase). So description in English.

We must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). We need to reuse at least 20% of those words. harrt, maybe "OnlyFans", "leaked", "nude", "photo", "slideshow". harrt, etc. We'll reuse many: Simone ASMR, shotsofsimone, simonesmr, OnlyFans, leaked, nude, photo, slideshow. So if we have say 10 key words, we need at least 2 reused. We need to reuse at least 20% of key words. That satisfies.

We must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No forced groups of exactly three items. Avoid clichés like "nestled", "breathtaking", "unforgettable". Must be plain text, no markdown, no quotes, no emojis, no curly quotes. Use plain ASCII quotes? Also no em or en dashes; we can use commas. So we end with invitation to view full gallery via the link above. So we can't use double quotes. No "At its core". No "not only X but Y". Probably avoid quotes entirely. No generic positive endings; end on a concrete fact or plain natural invitation. We'll avoid them.

We must not use inflated importance, no sales language. So just a simple description.

We need 60-90 words. Let's craft ~70 words.

Check for prohibited words: avoid "additionally", "moreover", etc. Avoid forced groups of exactly three items: we must not have exactly three items in a list? Avoid "tapestry". Avoid "vibrant". Avoid "delve". Avoid "it is important to note". Avoid "crucial". Avoid "landscape". Avoid "testament". Also avoid "not only X but Y". Avoid "boasts". Avoid "showcase". Avoid "unforgettable". Avoid "serves as". Safer to avoid lists of three items. Avoid "breathtaking". Avoid "nestled". We'll not do lists.

We must not use em or en dashes; we can use hyphen? Probably hyphen is okay but better avoid dash. Use commas.

We need to end with a natural invitation to view the full gallery via the link above. So something like "See the full gallery via the link above." That's plain.

We must not use quotes. So no quotation marks.

We must not use curly quotes; plain double quotes are also quotes; better avoid any quote characters. The instruction says no curly quotes, no quotes. So we will not use " or '. We'll avoid apostrophe? It likely means no quotation marks; apostrophe might be okay but to be safe avoid contractions that need apostrophe? Apostrophe is okay? It's a punctuation but not a quote? Might be considered a quote? Could use "it is" instead of "it's". Safer to avoid apostrophe as well? We'll avoid apostrophe.

Thus we need to avoid contractions like "it's", "don't", etc. Use full forms.

Let's craft:
