About This Collection

Step into the spine chill gallery, where impending doom meets irresistible style. Inspired by Dead by Daylight's beloved survivor perk, this collection channels the thrill of the hunt and the playful terror of a true scaredy cat. With nods to NicScreams, lillypeach, and Cyrax, this is a visual love letter to underrated perks and asym horror. Featuring models channeling their inner survivors, from spine rage intensity to resilience-fueled defiance, each shot captures the electric moment before the killer strikes. Click the link above to experience every heart-stopping frame.
